**Addendum No. 1**

**Date: Friday, 10/24/2014**

The following responses are in reference to questions submitted for RFP No. 15-001, by the deadline of Wednesday, 10/22/2014, for Stop Loss Insurance as outlined below:

1. Question: Is RFP No. 15-001 for Stop Loss Insurance only and not for benefit plan design? If so, does the City intend to maintain their current benefit and PPO network option for the upcoming year?

Answer: The City is only looking for stop loss coverage and not network options at this time.

2. Question: It looks like the Premiums vs. Claims data runs only through September of 2013. Is there a more current report from September 13 through current? And also a 2012 plan year report?

Answer: See attached 2012 & 2013 reports.

3. The 2013 large claim report also runs only through September, is there a yearend report by chance that runs through December 31, 2013? Can we get 2012 plan year large claims as well?

Answer: See supplemental claims files for 2012 – 2014. We've also provided the 2013 annual plan performance report from Aetna as well.

4. Large claim report through September 2014, does it include 24 months of paid claims? If so, can we get just the last 12 months or the current plan year?

Answer: Yes. The report is for 24 months. Please see supplemental 2013 claims files.

5. What is the percentage of police and fire in the census?

Answer: Approximately 35 – 40%.
